

Good morning, my name is Carolyn Bamberg and I am Middle School Principal at Hazel Glen College. This week we have seen our school become whole again, with the return of our Year 8 students to onsite learning. It has been such a delight to see everyone back, and share the classroom and our learning together. Today I am joined by some of my 5H friends, who are going to tell you a little more about life at Hazel Glen this term, and to thank our wonderful teachers for everything they have done.

Sienna:

- Hi, my name is Siena. I have really loved seeing my friends again after so long apart. I missed everyone, even my teachers. It's also great to meet our new teachers that have started with us this semester.
- The thing I've found challenging is the internet speed; now with everyone using devices again I don't think the school's internet can cope!
- On World Teachers' Day, I want to thank my teachers for helping us through this tough time.

Makenzie:

- Hi, my name is MacKenzie. I have enjoyed coming back because there's more space to run around, and I get to see all my teachers in person, not through a screen.
- I have found the uniform challenging; I have grown so much that it no longer fits. Also, I miss eating whenever I want and struggle waiting for break times to eat.
- On World Teachers' Day, I want to thank all teachers for brightening our days and keeping us happy.

Ollie:

- Hi, I'm Ollie. I have loved coming back to school to see all my friends and talk to them properly. It's great to see all my teachers again and not doing things on my iPad!
- It's hard to get back into my uniform; it's not as comfortable as what I wear at home.
- On World Teachers' Day, I want to thank my teachers for being really understanding and helping us get settled in again.

Disha:

- Hi, I'm Disha and I have loved getting back to school to laugh with my friends. I really missed my teachers and I'm really happy to be cooking at school.
- It's been difficult to wake up early every morning and drag myself to school!
- On World Teachers' Day, I want to thank my teachers for helping me learn, even when I was at home.

Hayley:

- My name is Hayley. I have also enjoyed seeing my friends and laughing at recess. It's been great seeing other people other than my family!
- It's been hard for me to get back into a routine at school. Other than that I've really enjoyed Term 4.
- On World Teachers' Day, I want to thank my teachers for always listening to me.
